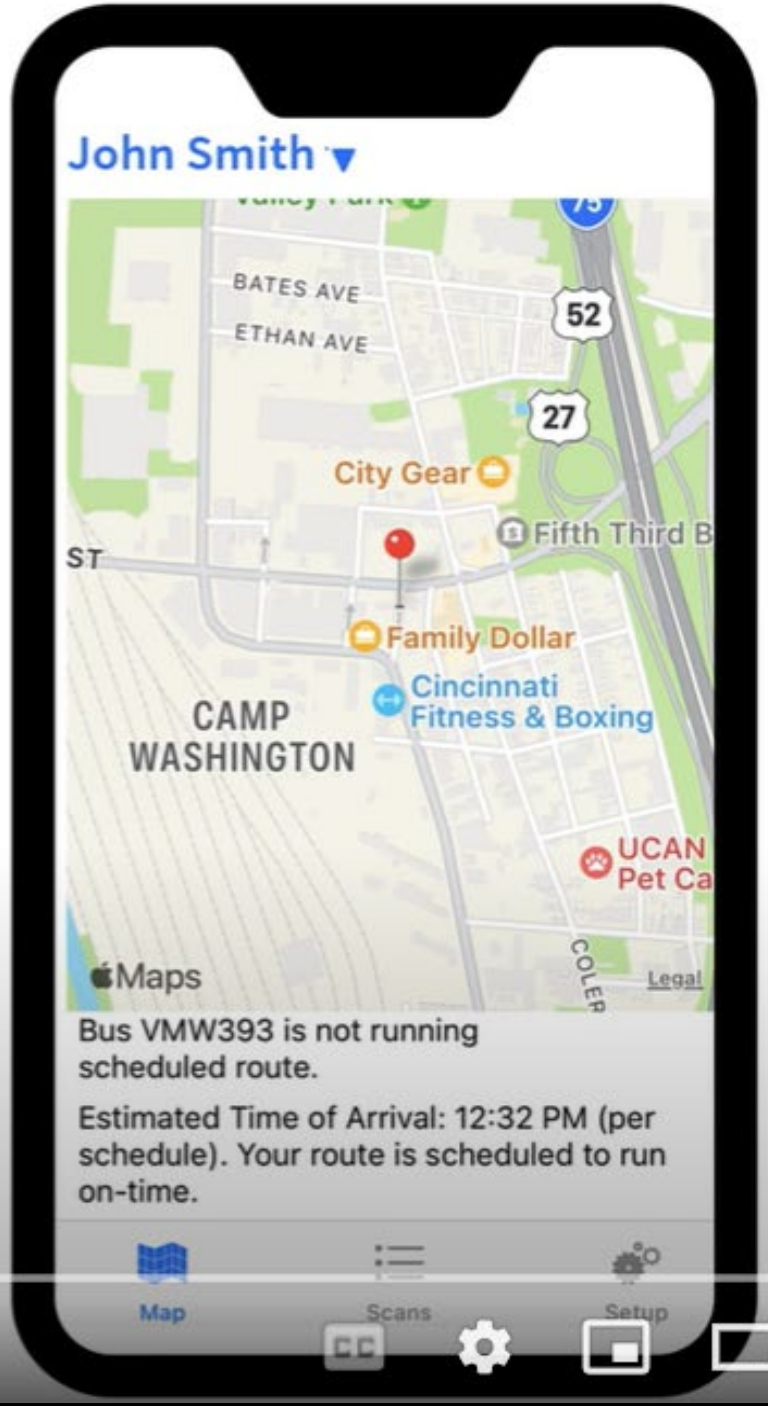
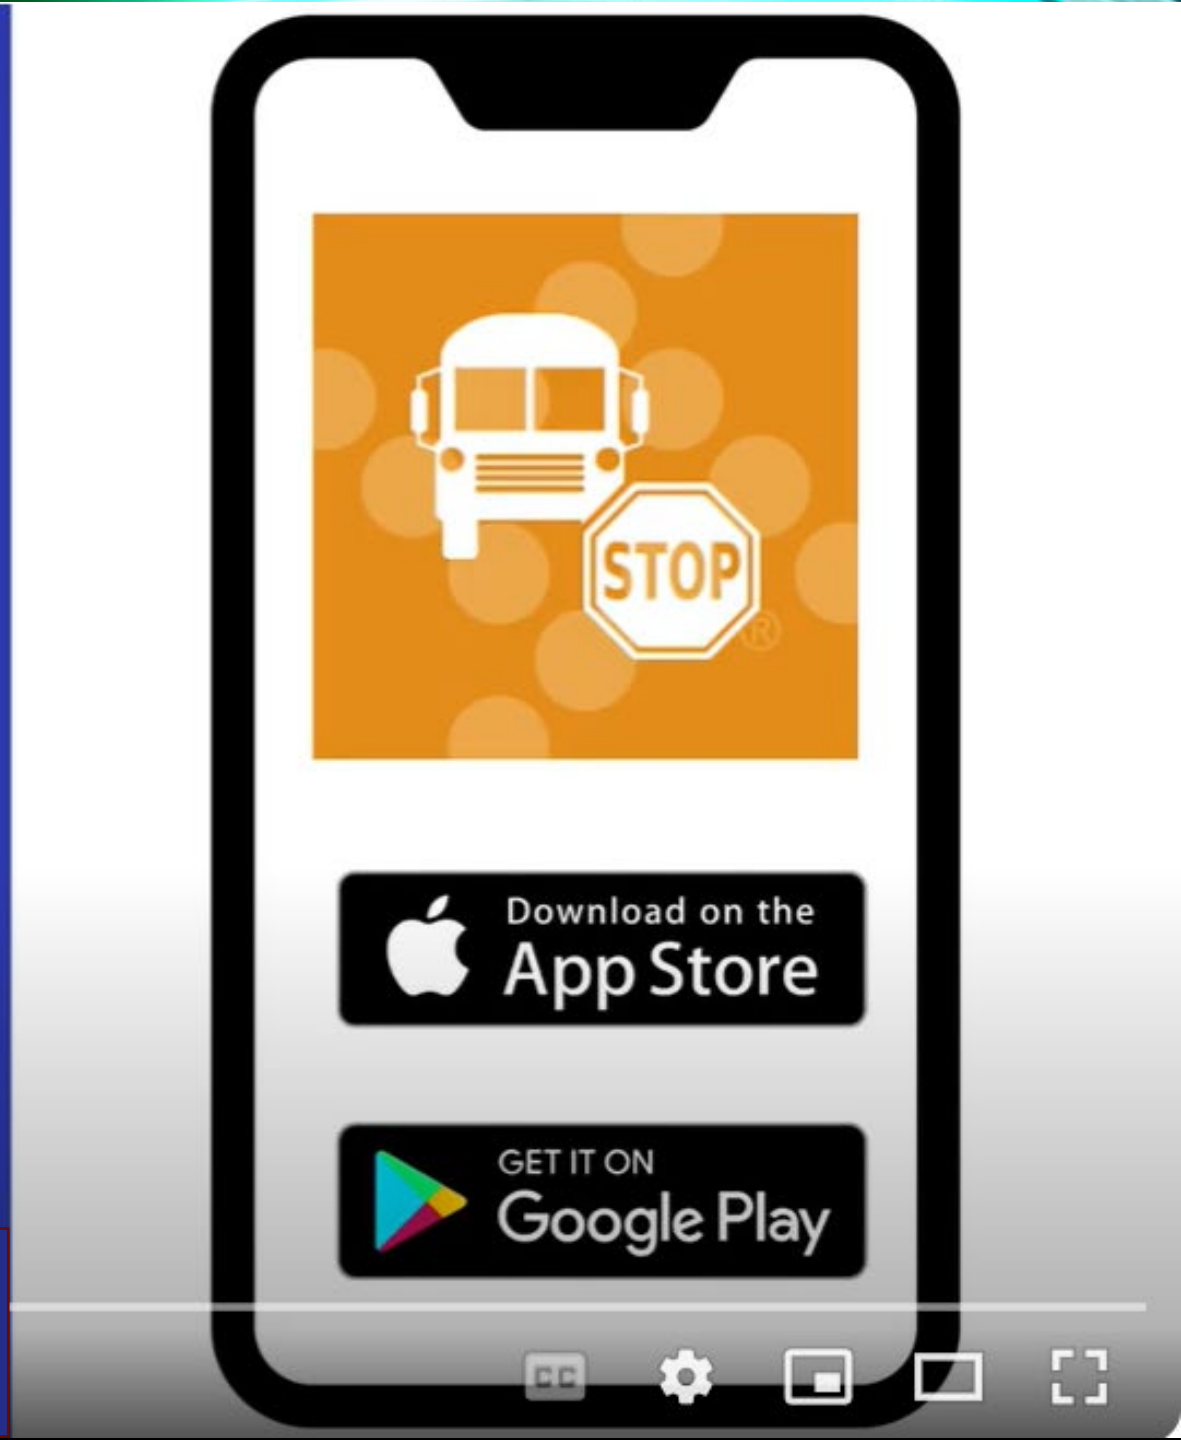
How to Setup and Use the *My Stop App* to View Bus Arrival Time



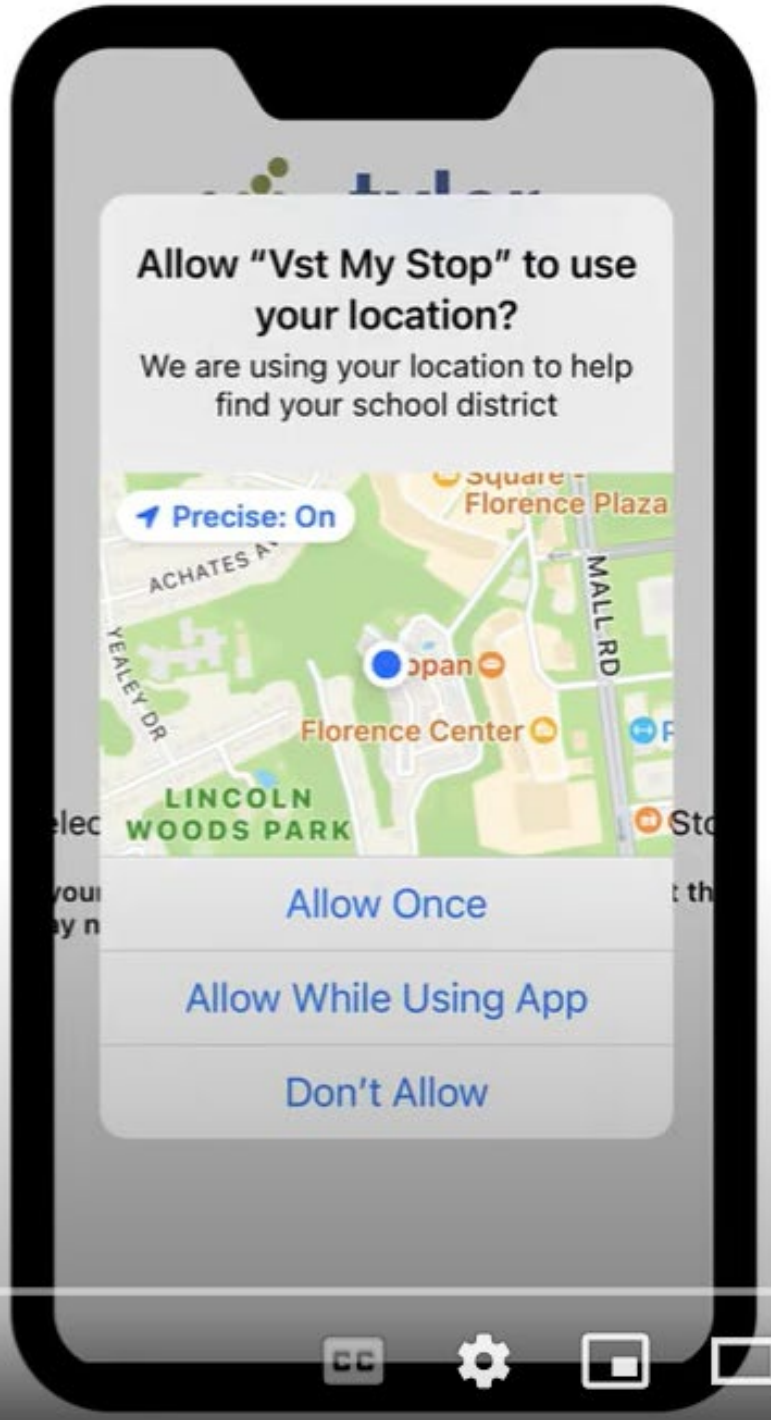
Setup

1. Download *Versatran My Stop* from App Store or Google Play



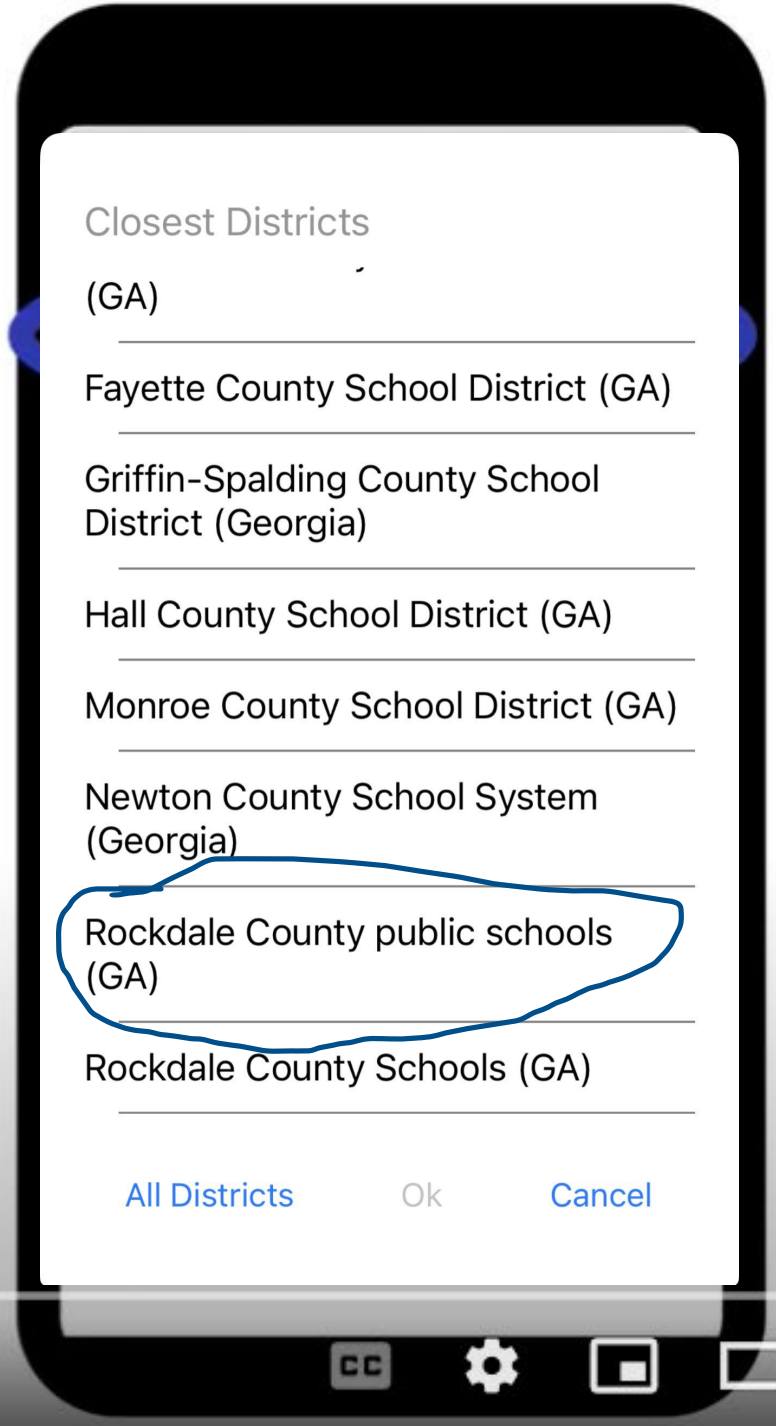
Setup

2. Launch App and Select Location & Notification Preferences



Setup

3. Select Rockdale County Public Schools

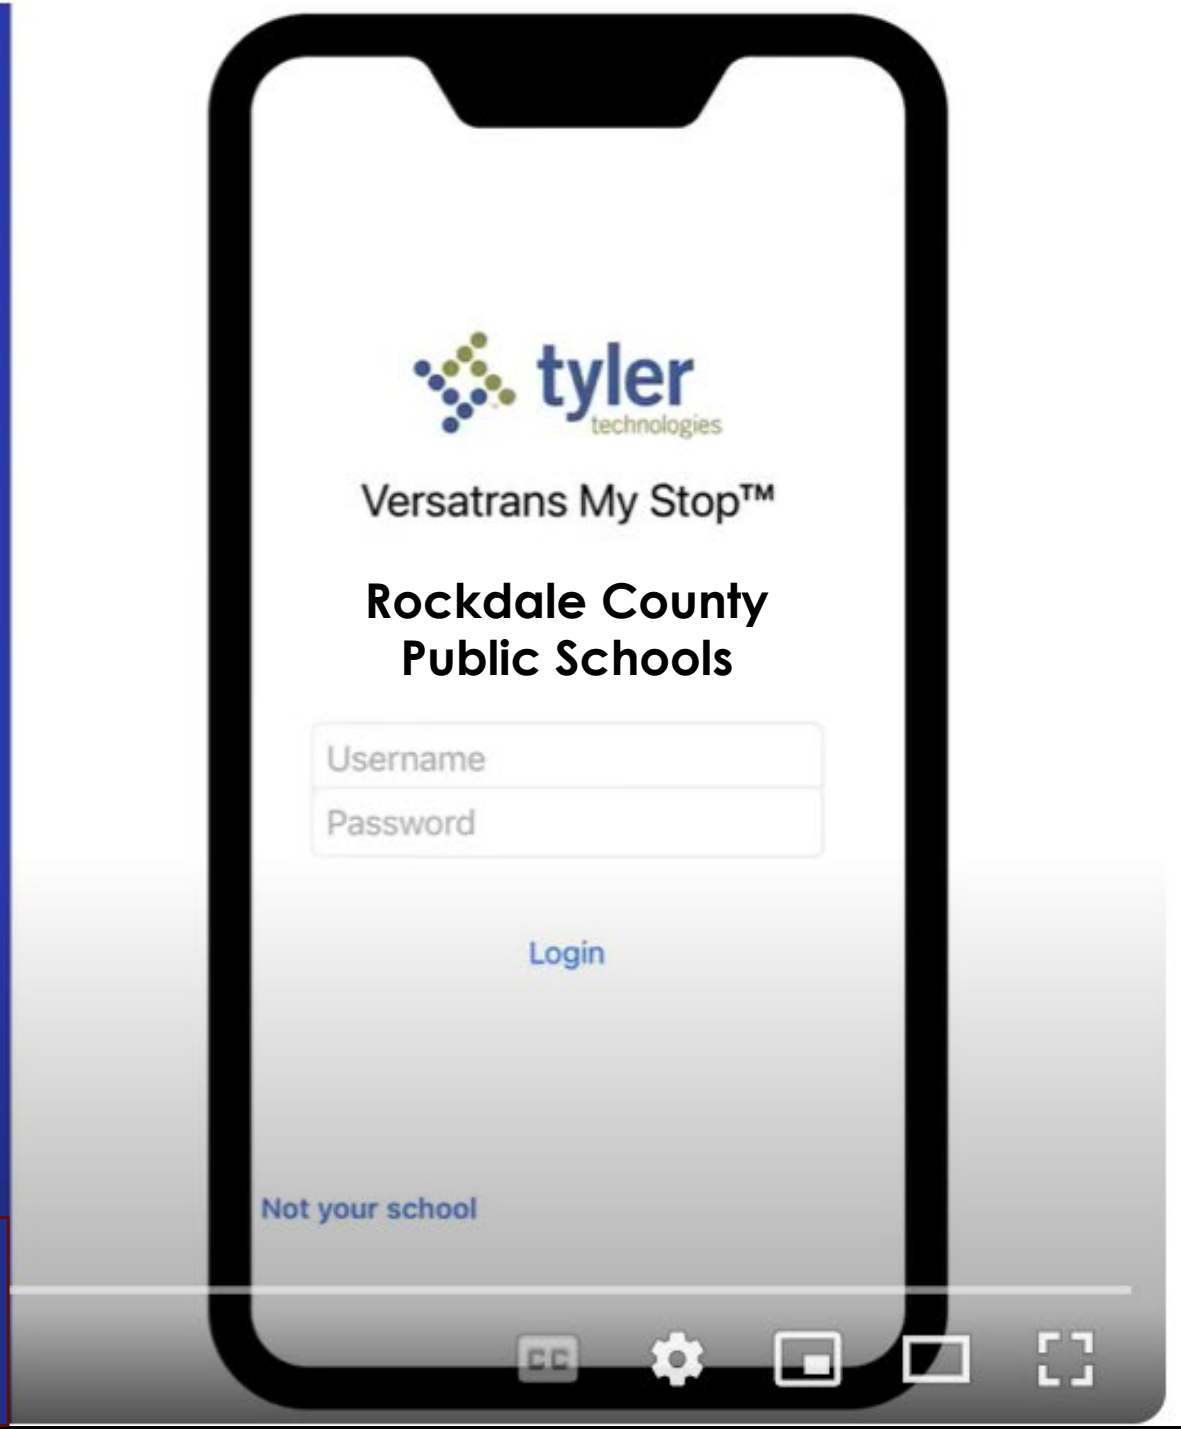


Setup

4. Enter Account Login Information

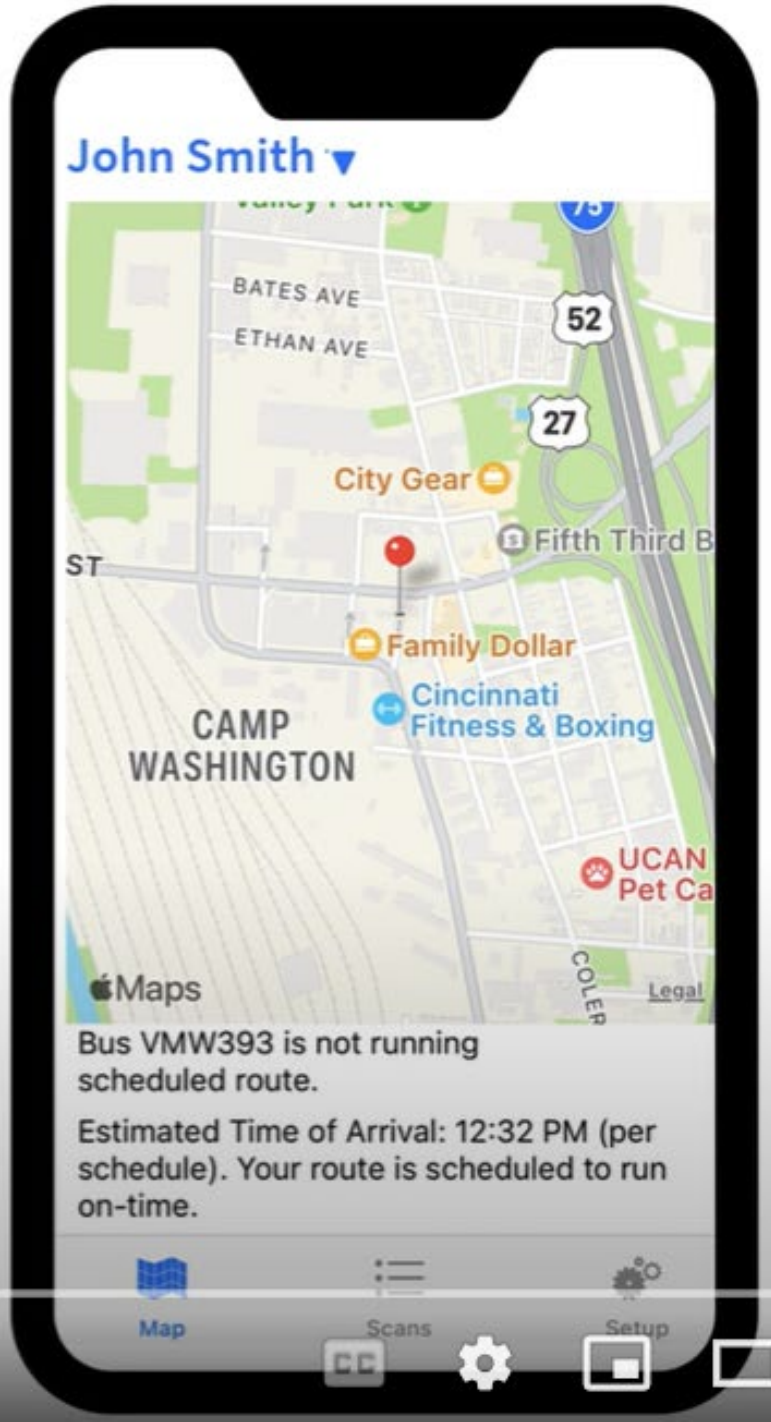
The Username is your students "Student ID Number"

The Password is also your student's "Student ID Number"



Using App

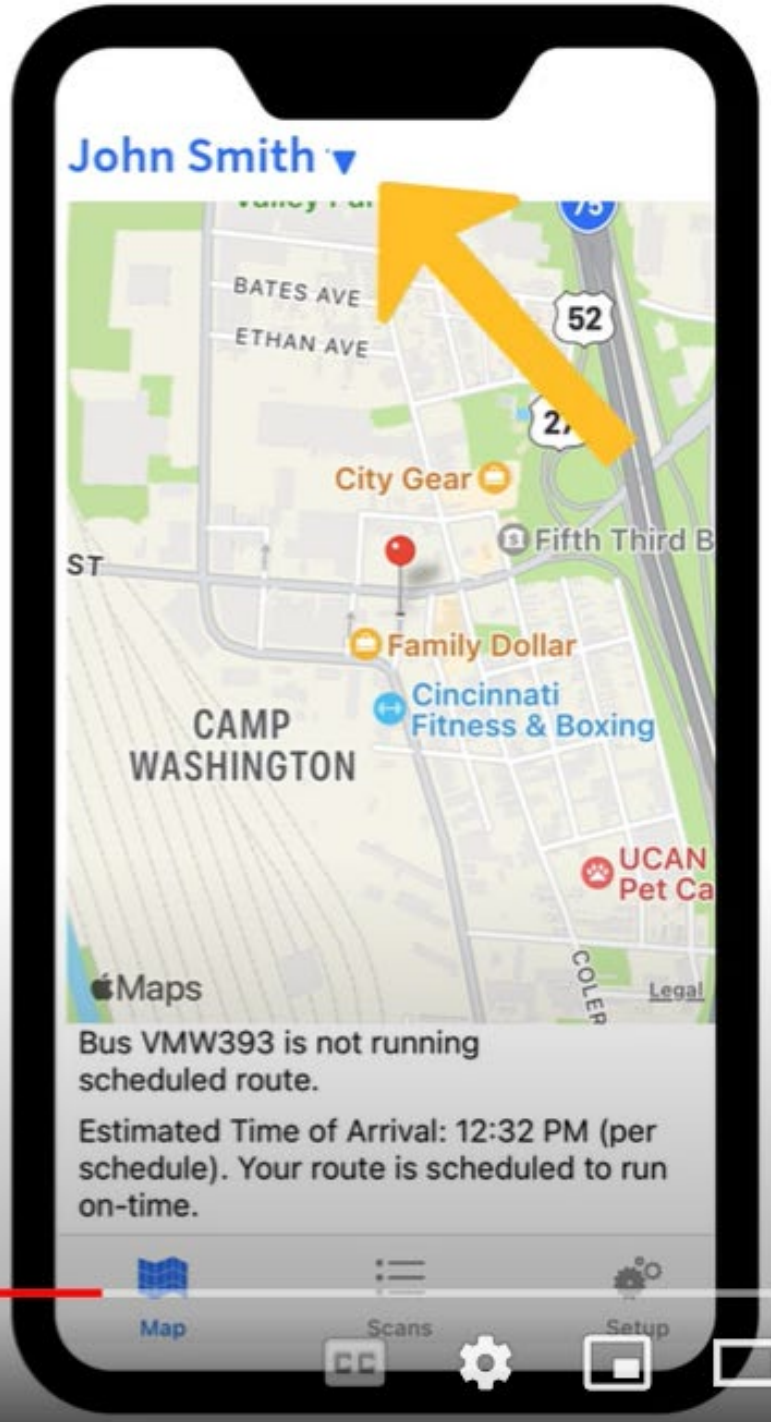
1. Launch App



Using App

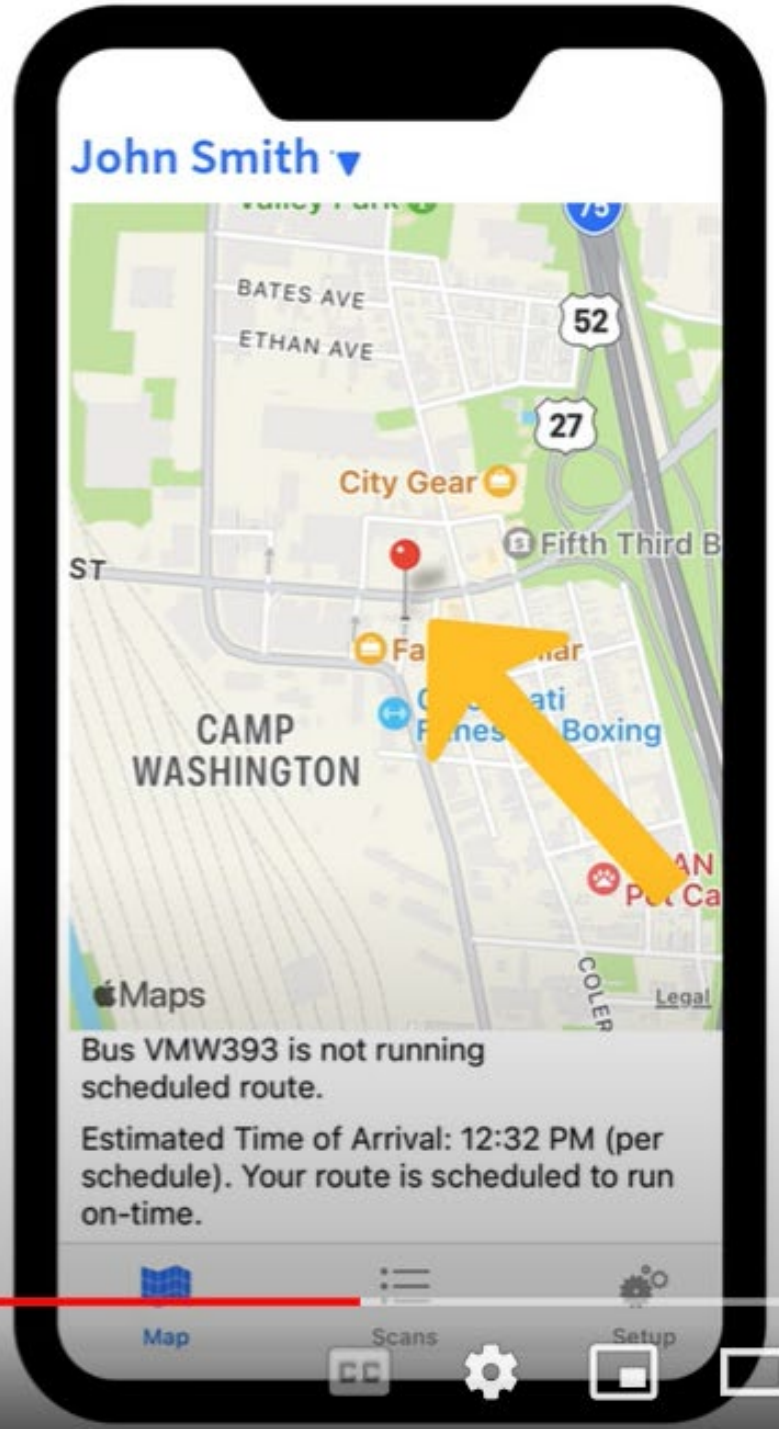
2. Select Student

If there is only one student in the household…you need not select a student. This option is there for those households with multiple students as a convenience.



Using App

3. Note pinpoint to indicate bus stop location



Using App

4. Note message regarding estimated bus arrival time

You will also be able to view the bus location as it travels to your stop.
